Which school(s) will your student(s) attend during the 2020-2021 school year?

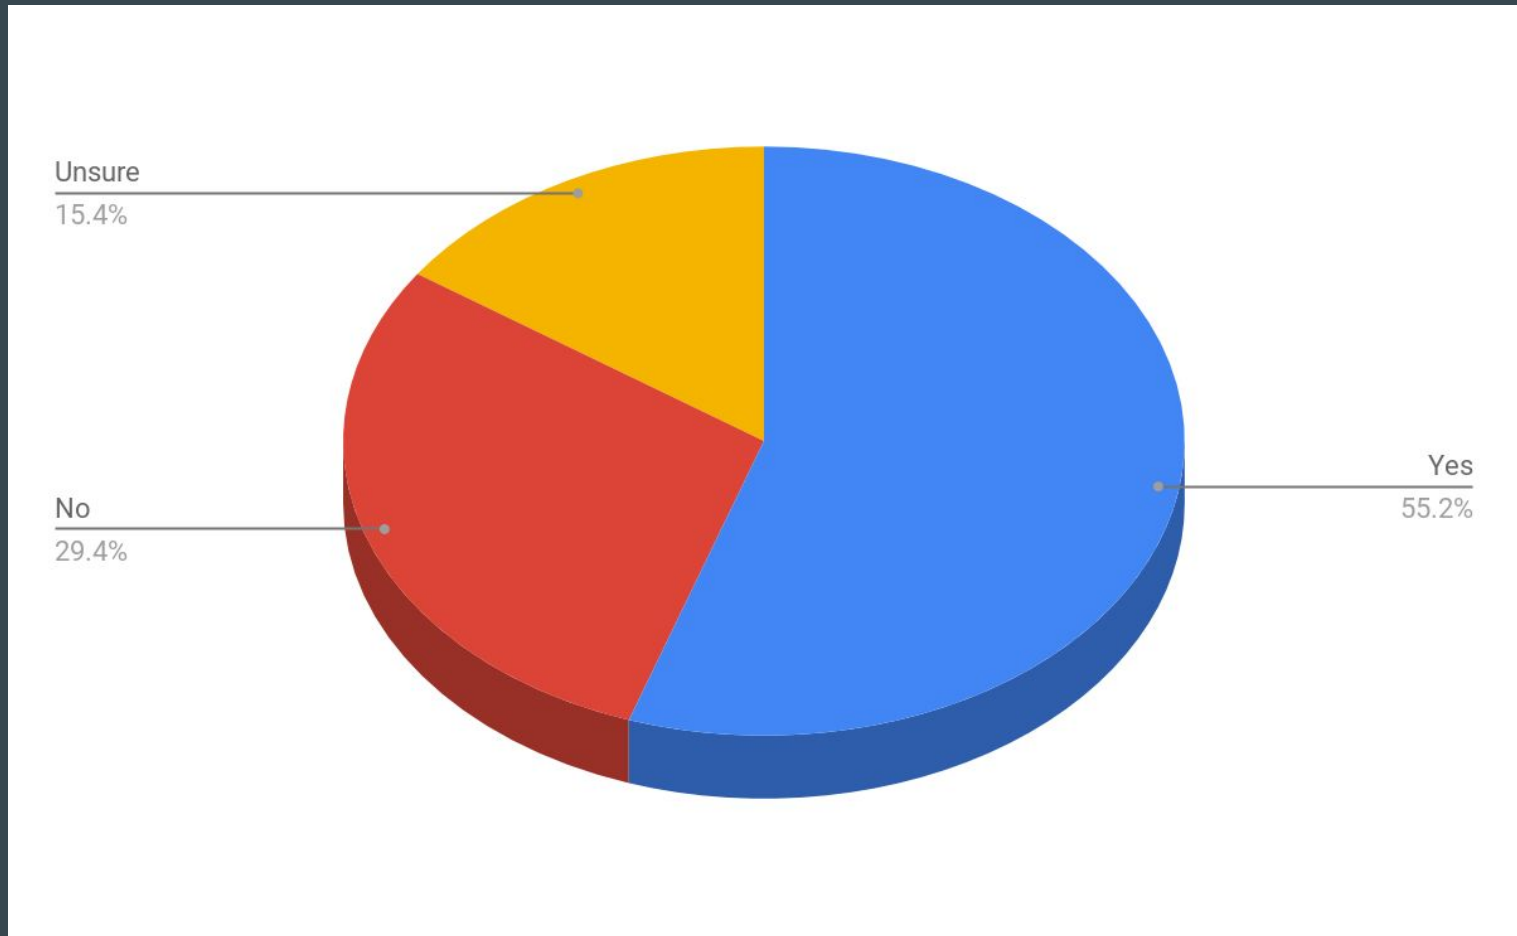

2020-2021 Building Attendance

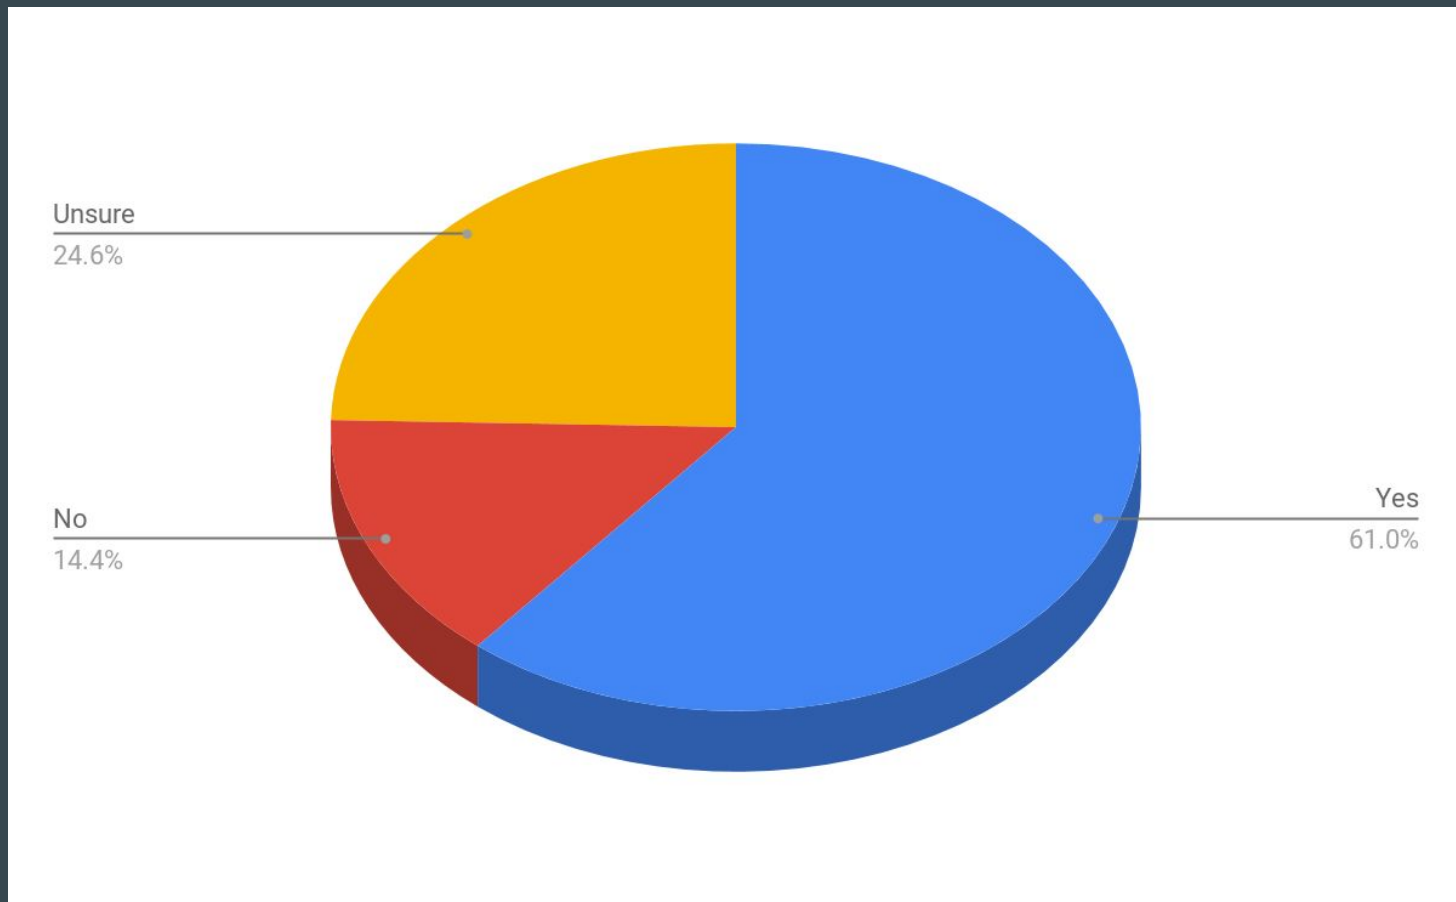

Assuming that there is no vaccine available in the fall, but SWL buildings reopen following safety protocols, will your child attend school in the building?

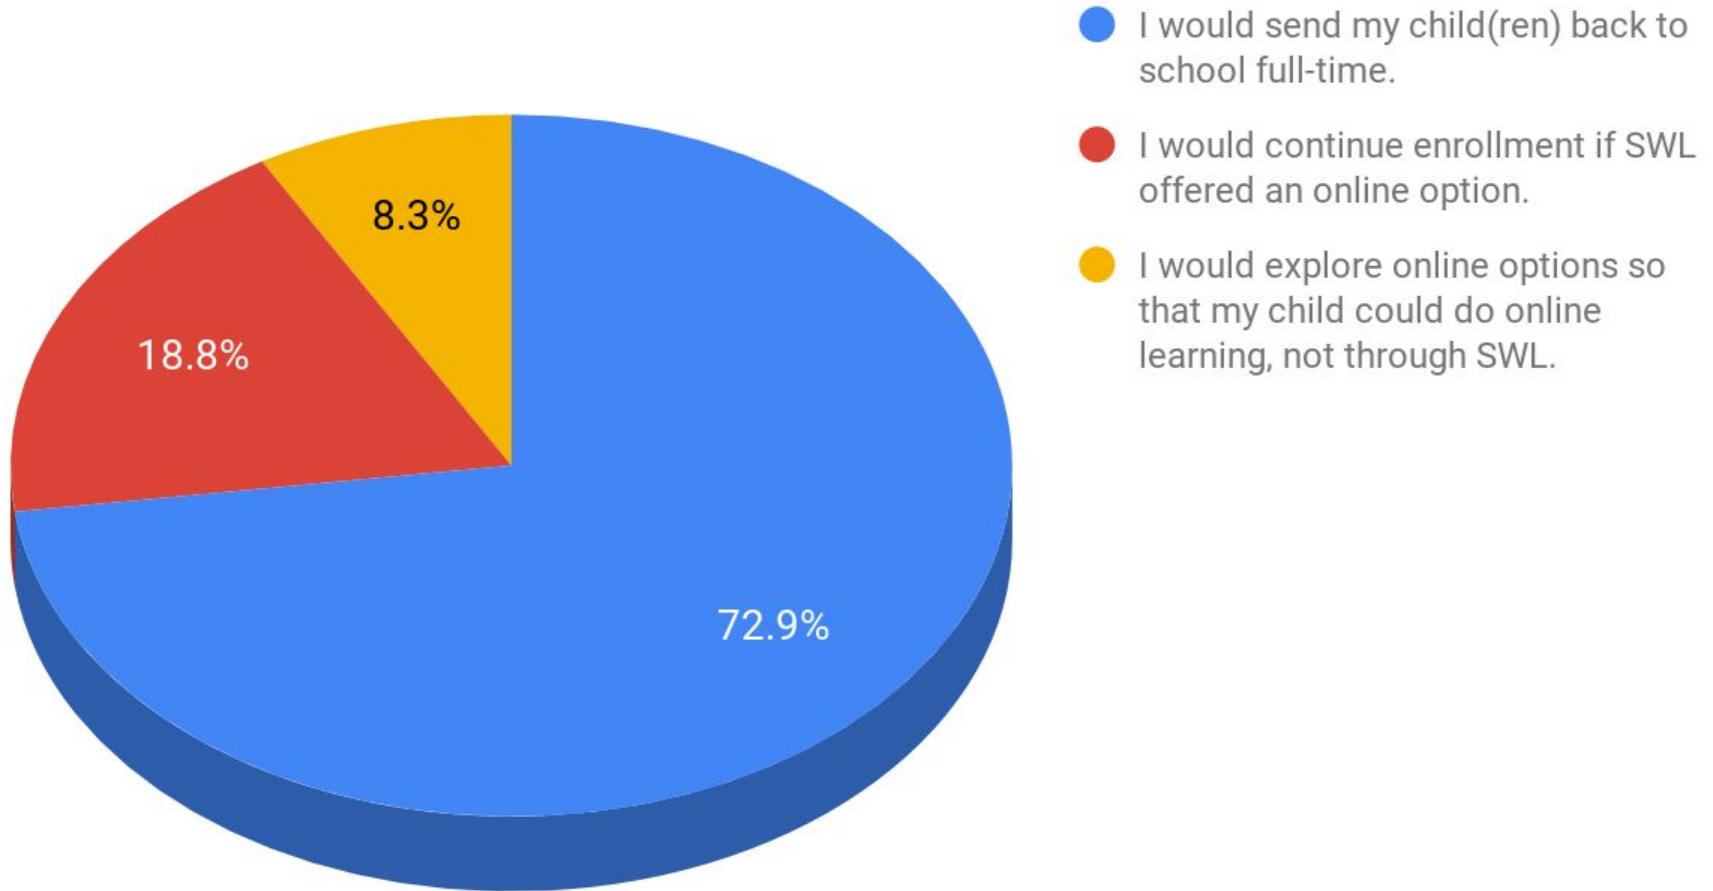

If necessary to offer school on a half-day basis in order to maintain student safety, would you send your child to school half-day?
(students would attend school half-day and have online assignment the other half-day at home)

If necessary to offer school on alternating days in order to maintain student safety, would you plan to send your child on alternating days?
(students would attend school 2 days a week and do online learning 2 days a week)

If school returned back to normal, would you...

If the school district needed to alter transportation plans, do you have the means to transport your child to and from school if necessary?
